Teaching pros (a pro is defined as being on the teaching staff of any club) may not participate in league play unless approved by the League Committee members.

FORMAT: A team shall consist of four doubles teams.

All clubs should position their teams in order of strength.

At no time should a court 1 player ever play on court 4, As a courtesy, coordinators should call ahead to the opposing team if subs from a higher level are subbing down on court 1 of a lower level.

Line-ups should be presented in completion on a score sheet before the start of the match.

PLAYER MOVEMENT: Substitutions between different levels of teams may be done as follows: Players from courts 3 and 4 of a higher level team may only play court 1 of the team the next level down. Players from a lower level team may only play court 4 of the team the next level up (unless 3 or more substitutes are used or court 4 is defaulted). If 3 or more substitutes are used, they must be placed on courts 3 and 4. No rostered player should be played on a lower court than a sub. Substitution to a lower or higher team should not affect a player's placement on her normal team.

Substitutions of a player for any two teams in the same division will be limited to 3 times for each team. Once a player has played for a team 4 times that player will be considered a permanent alternate on that team for the remainder of whatever session is in progress.

MATCH PLAY: Team lineups should be exchanged simultaneously between team captains prior to each match.

Warm-ups will be limited to 15 minutes after the starting time.

Each individual match will consist of three (3) sets, or until the time limit has expired.

A 12 point tiebreaker will be played in any set that goes to six games all.

There must be absolutely no coaching of teams or players after the match begins.

A league coordinator or club pro or must be present during all matches.

SCORING: One point will be awarded for each set or portion of set won. Division winners will be determined by highest winning percentage (number of sets won against sets played).

Time Limit Scoring: If a set is even, the point is split. If a set hasn't started, the point is split. If a team is ahead by 2 games, that team wins the point. If a game is not completed, it does not count.

Scores should be recorded on our website by team coordinator or captain by the following Monday morning.

Weekly results will be posted on our website @ GreaterSuburbanTennis.com.

DEFAULT: Fifteen minutes late – no warm-up; 16 through 30 minutes late – loss of first set; over 30 minutes late – loss of match.

If a team/player arrives 31 minutes after the start time of the match, they default the entire match and will be penalized 3 points and the opposing team will be awarded 1.5 points.

If you have to default any courts/matches, the host club's team coordinator should be contacted as quickly as possible so he/she can notify his/her team.

If you have to default matches in advance to another club, you must default the lowest court and move up all remaining teams.

When a match is defaulted, the defaulting team will be responsible for the entire court fee.

If a team defaults one or more courts prior to the day of the match, the defaulting team will be penalized 3 points per court, which will be reflected in their won/lost percentage. 1.5 points will be credited to the opposing team. The play-off match between two teams in any division will be hosted by the team with the highest over-all percentage (combined percentage from Session I and II). If the percentage between the two teams is the same, the play-off match will be hosted by the winner of the head to head competition during the entire season between the two teams.

Matches will be 2 hours or 3 sets whichever comes first.
